

## **WD40**

**MADE IN ITALY**

## **PRODUCTS WITH THOUSANDS OF USES**

**Drives out moisture:** it quickly dries out electrical systems to eliminate moisture-induced short circuits

**Protects:** protects metal surfaces with corrosion-resistant ingredients to shield against moisture and other corrosive elements

**Frees sticky mechanisms:** loosens rust-to-metal bonds and frees stuck, frozen or rusted metal parts

**Removes:** gets under grease, grime, and gunk. WD-40® non-aerosol formulas also dissolve adhesives, allowing easy removal of labels, tape, stickers, and excess bonding material

**Lubricates:** lubricated ingredients are widely dispersed and hold firmly to all moving parts
